

THE BIBLE IN 30 DAYS.

We have watched God do what only He can do: break chains, open doors, restore hope, call people out of darkness, and reveal His glory. And the same God who moves in crowded fields and city squares also moves in quiet living rooms, early mornings, weary hearts, and ordinary days.

READ OR LISTEN / ONE SITTING OR THROUGHOUT YOUR DAY

READ WITH PURPOSE.

SEVEN WAYS TO APPROACH THE CHALLENGE

01

SEE THE WHOLE STORY.

Look for the big movements of Scripture: creation, covenant, redemption, and restoration. Notice how the books connect and how God reveals His character and His purposes. This month is an opportunity to become familiar with the whole story.

02

KEEP MOVING THROUGH THE WORD.

Read at a steady pace without feeling that you must stop at every verse. You will meet passages you do not fully understand. Mark them briefly and keep going. Let the wider context grow as you move through the Bible.

03

MAKE ROOM. FIND YOUR RHYTHM.

Expect roughly 2-3 hours a day, depending on your reading pace or audio Bible. Read, listen, or combine both. Complete the portion in one sitting or spread it across your day. Consider exchanging some scrolling or entertainment time for Scripture.

04

NOTICE NOW. STUDY MORE LATER.

Keep a short list of questions, repeated themes, and passages to revisit. A few words are enough. You can return for deeper study after the challenge; for now, give your attention to the flow of the daily reading.

05

LET THE WORD TAKE ROOT.

Some days will feel powerful. Others may feel ordinary or demanding. You do not need a dramatic experience every time you open the Bible. Pray, stay attentive, and trust the Holy Spirit to shape your understanding and your response over time.

06

GET YOUR BEARINGS.

When you begin a new book, a brief introduction can help you understand its author, audience, setting, and main themes. Use a trusted study Bible or Bible handbook when helpful. Keep that preparation simple so you have time for the Bible itself.

07

KEEP GOING. CARRY IT WITH YOU.

If a day gets away from you, pick up where you stopped. Try listening when reading is difficult, and adjust your schedule when needed. Keep pursuing the whole Bible without turning the checklist into a measure of your worth. Let what you learn become obedience, prayer, and a readiness to share Jesus.

UNTIL THE WHOLE WORLD KNOWS JESUS.
